

FINANCIAL POLICY AND OFFICE PROCEDURES

Welcome and thank you for choosing Foot Center McAllen/Weslaco PLLC (Foot Center). We can better serve your healthcare needs if you are familiar with the following policies and procedures.

Our offices are open Monday through Friday from 8:00am to 5:00pm except during federal observed holidays. Providers are available on an emergency basis at any time. Appointments may be made by phone during office hours or requested through our website. New patients to Foot Center are requested to arrive 15 minutes before their appointment for registration. Due to the unscheduled nature of emergencies, occasional delays do occur. We hope that you will understand that these delays are unavoidable. If you are unable to keep your appointment, please call us to reschedule or to cancel your appointment as far in advance as possible.

ALL PATIENTS ARE REQUIRED TO READ AND SIGN A COPY OF THIS POLICY, WHICH IS TO BE RETAINED IN THE PATIENT'S MEDICAL RECORD.

1. To protect your medical identity, we ask that you bring your insurance card(s) and a photo ID at each visit. It is your responsibility to provide us with the correct information to ensure proper billing to your insurance company(ies).
2. If you have a change of address, telephone numbers, or employer, please notify the front desk. It is your responsibility to inform us in a timely manner of any changes to your billing and insurance information.
3. Payment is expected at time of service. We will collect your deductible, co-pay, co-insurance, and charges for non-covered services at the time of your visit in the form of cash and credit/debit cards only (with proper ID). Credit card chargebacks will incur a \$40.00 fee. Replacement of lost refund checks will incur a \$40 fee to cover stop payment of lost check.
4. If your insurance company does not cover a service or denies a charge, you will be billed for the entire balance. You will be expected to pay your balance in full within ten (10) days. If payment is not received within 90 (ninety) days, your account will be subject to collection proceedings.
5. If your insurance company requires a referral or prior authorization, it is your responsibility to obtain this from your primary care provider or insurance company prior to your appointment.
6. We participate with many, but not all, insurance plans. It is your responsibility to contact your insurance company to verify that we participate with your plan.
7. In accidents, legal cases, etc. in which an insurance company or other party is presumed liable for your expenses incurred as a result of your accident or illness, Foot Center looks to the party receiving the services for payment and cannot be expected to wait for the conclusion of long-term court cases or the settlement of disputed insurance claims before being paid. The party receiving such services is expected to take care of his/her account in line with the above credit guidelines.

INDEMNITY INSURANCE CLAIMS: If you have indemnity insurance covering payment for services rendered, we will provide you, without charge, a statement with all the information needed by your insurance company. You should forward this statement together with your insurance claim form, filling out the patient part only, directly to your insurance company. It must be understood, however, that financial responsibility for the account rests with the patient. Insurance claims on services performed must be requested by the patient. Depending on your insurance plan, you may be required to pay up-front for services rendered and then submit a claim to the insurance company for reimbursement or you may be responsible for any deductible at time of service.

***Caution:** If your insurance covers services rendered at Foot Center, it is your responsibility to request an itemized statement from our office covering these services. If you have filed an insurance claim and no payment or rejection notice has been received within 60 days from the date of filing, we encourage you to:

1. Contact your insurance company as to the reason for delay
2. Make regular payments on your account to keep it in good standing. Any overpayment will be refunded in the event the insurance pays directly to Foot Center.

MEDICARE PATIENTS: Foot Center is a participating provider with Medicare Part B and we will bill Medicare for all your covered charges. If you have a supplemental carrier, we will also bill that for you. If payment is not received from your supplemental carrier within forty-five (45) days of being submitted, we will bill you for the balance due on the Medicare Allowable. **IF YOU DO NOT HAVE A SUPPLEMENTAL CARRIER, THE 20% THAT MEDICARE DOES NOT PAY WILL BE COLLECTED FROM YOU AT THE TIME OF YOUR VISIT.** Each year, you will be expected to pay the allowed amount of your charges until your annual Medicare deductible has been met.

SELF-PAY PATIENTS: Patients without medical coverage are expected to pay in full at the time of services rendered.
